Once in a lifetime trip

August 22-September 2, 2029

Viking Octantis by Viking Cruise Lines

378 Guests + 2 Submarines! Sells out quickly!

A fellowship Expedition like no other...this you must not miss! Join us on a thrilling adventure through one of the most remote and pristine environments on Earth. During this journey, we'll navigate the Canadian Arctic Archipelago which will allow us to search for the Arctic Big Five; Polar Bears, Walrus, Narwhals, Beluga Whales and Musk Oxen. These iconic creatures, often seen roaming the icy landscapes or swimming in the frigid waters, are symbols of the Arctic's unique ecosystem. The expedition not only provides an opportunity to observe these remarkable animals but also offers breathtaking views of the surrounding glaciers, icebergs and diverse wildlife, such as seals & Arctic foxes. Such a voyage not only is an exploration of stunning natural beauty but also a poignant reminder of the importance of conservation efforts. Seminars on the Viking Octantis during Northwest Passage and Arctic voyages are immersive, multidisciplinary educational sessions led by a 36-person Expedition Team. They focus on natural history, oceanography, glaciology, Inuit culture, and polar exploration history. Photography seminars, no kids, no casinos, just an immersive earth experience with like minded people on a luxurious Expedition ship. We have been on this ship and had our 12 step meetings in the bow while going through 30 ft waves in the Drake Passage in Antarctica. Live like you mean it! Earn your complimentary red Expedition jacket!
